# Lords Of Love: Historical Romance Anthology

## Synopsis

Every lady desires a lord to love. Join five USA Today Bestselling authors as dukes, highland lairds, Regency earls, and cowboys find love in the most unexpected places. *Her Desperate Gamble* by Eliza Knight Revenge is best served with a sweet, hot kiss. Nathan Bender is on a quest for vengeance. What he finds instead is a sexy saloon-dolly named O'Dell Murphy. She holds information he needs and becomes a temptation he can't resist. O'Dell longs for a respectable life outside the saloon. When the fellow Nathan is searching for steals O'Dell's savings, she has no choice but to go after him, or risk losing everything. Torn between passion and revenge, Nathan reluctantly accompanies O'Dell through the Sonoran Desert. There are some things a man can't walk away from and Nathan is finding it's not revenge that binds him. It's O'Dell, and the wicked, sinful pleasures she provides. *The Madam's Highlander* by Madeline Martin What's the madam of a successful bawdy house in Edinburgh to do when she finds one of the English supported Black Watch soldiers needing to desert his post? She helps him, of course - but there's a high price to pay. *The Duke's Fiery Bride* by Hildie McQueen The last thing Gavin Mackinnon, the Duke of Selkirk expects is marriage to a rebellious wildling like her. Or is Beatrice Fingnon exactly what he needs? *The Ugly Duckling Debutante* by Meara Platt When tragedy steals Gennalyn's family and leaves her as the lone survivor, she returns to England to the care of distant relatives who do not want her. Feeling lost and out of place, it takes Roarke, a neighbor and newly returned war hero, to show her that she is no ugly duckling but the beautiful swan he is growing to love. *Taming a Duke's Reckless Heart* by Tammy Andresen Piper Baker must marry, but the only man she wants is the one she can't have. The Duke of Manchester, tall, darkly handsome and has sworn never to marry.

## Customer Reviews

An interesting collection of stories, some better than others, but it's a good introduction to these authors, many of them I will buy books from.

Your advertisement for the book is misleading. All book entries are not complete and you don't offer options to access them.

I love sets like this, you can find new authors who books you'd like to read while still enjoying a story from a favorite author. I picked it up because of Madeline Martin and Eliza knight and now have some new authors who's books I want to read. I loved all of the stories in the set, some are sweet and clean while some have a little sexual innuendo or very tame sexual scenes but all off them had excellent plots. So has something for everyone. Definitely recommend for Historical Romance readers.

Each author writes great tales of love & romance, brave, strong women with equally strong male characters. This is a great ebook to read on a cold rainy day, or any day that you just want to destress from the day or to take on vacation to read while lounging at the beach or by the pool.
