Customer Reviews

The best dictionary ever I had. I have 3 other dictionaries but Longman is more detailed. Especially, very helpful when I study grammar because very easy to see and find other forms about same words.

This dictionary is very helpful to the people who are starting to learn grammar. I am using it now because I am taking English as a second language. It is really nice dictionary. Anything I want to know is in this book. It is also easy to understand. It is thick and heavy book. It has good quality and it is very useful.

For the first time I opened the box, I found a used dictionary! I was so surprised. But I got the access code was sealed! This was a new one! I am not happy with it, but it is ok!

good:)

Loved it.

Very good dictionary.

I am happy I could get it very easily and smoothly.
