Customer Reviews

Wanderlust Travel Awards 2009â€“2014 "This [DK Eyewitness Travel: Top 10] might be the best traveling companion to throw in your pack. It's a slim and sleek overviewâ€”loaded with practical and

useful content." â " Gadling.com "Knownâ | for its four-color maps, photos and illustrations, the [DK] Eyewitness Guides are extremely user-friendly for travelers who want their information delivered in a concise, visual way." â " Chicago Tribune "The best optionâ | Color photos, maps, and diagrams bring the place to life." â " The Philadelphia Inquirer

About DK Eyewitness Travel Guides: For more than two decades, DK Eyewitness Travel Guides have helped travelers experience the world through the history, art, architecture, and culture of their destinations. Expert travel writers and researchers provide independent editorial advice, recommendations, and reviews. With guidebooks to hundreds of places around the globe available in print and digital formats, DK Eyewitness Travel Guides show travelers how they can discover more.

I was really surprised by this book. For how small it is, it covers more than I thought it would. It focuses on 5 areas. 1-Abu Dhabi and 4 areas/regions in Dubai. Detailed maps are provided for all (The fold out map is a bit awkward but there are also several mini maps throughout the book with marked numbers of the places/sites you are reading about. The "10" is on account of the frequent lists given throughout the guide in groups of 10. It is not overly detailed but gives you many options to consider visiting or seeing without having to wade through a lot of extrenuous information to get to the nitty-gritty and, typical of DK publications, they are not skimpy on the amount of color photographs (although it is a small guide book, made that way for ease of portability, so some of the photos will naturally be quite small). It is not going to have extensive detail on the history of Dubai or the UAE nor on all of the customs and traditions of the people. For those who will be visting Dubai for a long time, going there more than once, or consider relocating, this book along with Lonley Planet's "Dubai City Guide" and Culture Smart's "The essential guide to customs and culture of UAE" make a great trio.

Good info in this quide prior to my trip to Dubai.

Great little travel guide on the two UAE locations. Because it is compact, know that the words/type are very small. Worth reading and having though.

These Top 10 books are my favorite travel books. To the point and small enough to slip in my purse, but still full of good info

Book is brief, and to the point. It helps to have already done some research on Dubai or visited once to make better sense of the way the book and information are organized. I would still recommend it, however, for quick reference.

Just purchased this book to help with travel plans to Dubai. It is an easy book to navigate around. Goes through the best sights. Indoor and outdoor. Hotels. Food. Transport. Addresses. Contact numbers etc. Very good reference guide. Would recommend this book as being a well thought out and written guide.

why is subway map not included ??

As with every Top 10 DK guide this one was short on some details, but it certainly covered the important sights. We found the Lonely Planet guide more useful.
