Fodor's Morocco (Full-color Travel Guide)

Synopsis

Written by locals, Fodor's travel guides have been offering expert advice for all tastes and budgets for 80 years. Thanks to a prime location linking Europe and North Africa, as well as a vibrant culture and stable government, Morocco has seen a huge influx of tourists in recent years. Sophisticated new hotels and resorts are popping up everywhere, including in booming cities such as Marrakesh, Fez, and Tangier. From its southern deserts to the Atlas Mountains to the wave-swept Atlantic coast, Morocco continues to draw travelers eager to experience this gorgeous and diverse country. This travel guide includes: Dozens of full-color maps Hundreds of hotel and restaurant recommendations, with Fodor's Choice designating our top picks Multiple itineraries to explore the top attractions and what's off the beaten path In-depth breakout features on hammams, The Sahara Desert, and shopping for crafts Coverage of Tangier and the Mediterranean, The Northern Atlantic Coast, Fez and the Middle Atlas, Marrakesh, The High Atlas, The Great Oasis Valleys, and The Southern Atlantic Coast

Customer Reviews

"Fodor's is pitched a few notches higher, aimed at a fairly discerning traveler with an appetite for background and the occasional surprise." - New York Times
"The Fodor's guides are notable for their ratings of sights, restaurants, shops, accommodations and attractions." - Chicago Tribune
"In terms of comprehensiveness of coverage, the very accessible format, and the enthusiastic tone, this series

remains one of the best on the market. Fodor's Booklist is super-informative guidebooks are known for accuracy and attention to detail. Fodor's Sacramento Bee Fodor's can help you plan the perfect adventure. Fodor's Arizona Republic

For over 80 years, Fodor's Travel has been a trusted resource offering expert travel advice for every stage of a traveler's trip. We hire local writers who know their destinations better than anyone else, allowing us to provide the best travel recommendations for all tastes and budget in over 7,500 worldwide destinations. Our books make it possible for every trip to be a trip of a lifetime.

Shipped quickly and arrived in mint condition. Out of the current guidebooks out there for Morocco this is the most recently updated. Fodors does a great job outlining the history, highlighting the sights, and provides helpful details that ultimate let you get everything you can out of your travel. I will be backpacking in Morocco for three weeks this November and feel much more confident having this guide with me. Update: I used this for 30 days while backpacking in Morocco and found that it was just barely enough to get me by. Some cities (like Chefchaouen) were not as extensively covered as others, for apparently no real reason. Most of the lodging and eating recommendations were seemingly tailored to a wealthier/ older traveler. The history, cultural explanations and tips throughout were certainly appreciated. Overall, this guide just didn't feel adequate in the hands of a backpacker seeking a raw travel experience in a remarkable country like Morocco.

The book gives some inaccurate information. Also recommends using Sheherazad Ventures, which is owned by one of the guide book authors. Feel this is misleading. Did not find this book more useful than the information you obtain for free on the internet. Wish Rick Steve's covered this area.

We went to Morocco this past summer for over two weeks, I bought this book to plan for that trip. The book was somewhat accurate but sugar coated many details about the city. Tangiers is still very full of drug pushers, thieves, and is NOT very safe. The taxi driver refused to take me to the market/souk in Tangiers because he told me I would not be safe there! AND guess what - he was right! This is contrary to what the book stated. The book came in handy as far as maps, and basic explanations but on-line travel blogs are more accurate.

good book but not enough info on off the beaten track / tourist route sites / points of interest /

artisans' workshops etc. Our most memorable events / sites were those away from the madding crowds.

good reference for your travels next year

good reference

Very helpful when planning a trip. Great information.
