The Trials Of Apollo, Book Two: The Dark Prophecy

Synopsis

Zeus has punished his son Apollo--god of the sun, music, archery, poetry, and more--by casting him down to earth in the form of a gawky, acne-covered sixteen-year-old mortal named Lester. The only way Apollo can reclaim his rightful place on Mount Olympus is by restoring several Oracles that have gone dark. What is affecting the Oracles, and how can Apollo/Lester do anything about them without his powers? After experiencing a series of dangerous--and frankly, humiliating--trials at Camp Half-Blood, Lester must now leave the relative safety of the demigod training ground and embark on a hair-raising journey across North America. Somewhere in the American Midwest, he and his companions must find the most dangerous Oracle from ancient times: a haunted cave that may hold answers for Apollo in his quest to become a god again--if it doesn't kill him or drive him insane first. Standing in Apollo's way is the second member of the evil Triumvirate, a Roman emperor whose love of bloodshed and spectacle makes even Nero look tame. To survive the encounter, Apollo will need the help of son of Hephaestus Leo Valdez, the now-mortal sorceress Calypso, the bronze dragon Festus, and other unexpected allies--some familiar, some new--from the world of demigods. Come along for what promises to be a harrowing, hilarious, and haiku-filled ride. . . .

Customer Reviews

Rick Riordan, dubbed "storyteller of the gods" by Publishers Weekly, is the author of five #1 New York Times best-selling middle grade series with millions of copies sold throughout the world: Percy Jackson and the Olympians, The Heroes of Olympus, and the Trials of Apollo, based on Greek and Roman mythology; the Kane Chronicles, based on Ancient Egyptian mythology; and Magnus Chase and the Gods of Asgard, based on Norse mythology. Rick collaborated with illustrator John Rocco on two #1 New York Times best-selling collections of Greek myths for the whole family: Percy Jackson's Greek Gods and Percy Jackson's Greek Heroes. Rick lives in Boston, Massachusetts with his wife and two sons. Follow him on Twitter at @camphalfblood.

Once again I am aghast as to where Mr. Riordan gets his ideas. I believe a muse is always by his side.

great for long drive to college

I enjoyed this book. It has a good mix of comedy, drama, and action to keep the reader engaged.

Ah! I absolutely love Rick Riordan's books and this isn't an exception. I think he is so fantastic at writing these stories and I hope he never stops. This book picks up right where the first one left off and it is fast, action-packed, and full of Greek mythology. The seamless entwining of Greek mythology with his fantasy writing is something that I will never tire of. Also, this book is NOT just for kids! I am in my early 20s and I would always recommend his series' to anyone who is a fan of Greek mythology and witty humor. The humor in this book is great and Apollo's character really brings that quality through!

My sister loves the book, and it's a perfect gift considering her birthday is coming up soon.
