Healing Multiple Sclerosis, New Revised Edition Diet, Detox & Nutritional Makeover For Total Recovery

"A landmark book, *Healing Multiple Sclerosis* provides workable, natural solutions for a practical self-help program that anybody can follow."
—ANN LOUISE GITTLEMAN, New York Times best-selling author of *The Fat Flush Plan*, *Before the Change* and *The Fast Track One-Day Detox Diet*

New Revised Edition

HEALING Multiple Sclerosis

Diet, Detox & Nutritional
Makeover for Total Recovery

ANN BOROCH, CNC

Foreword by New York Times best-selling author
Ann Louise Gittleman, PhD, CMS

Synopsis

This newly revised and expanded edition of *Healing Multiple Sclerosis* (revised 2014) gives a breakthrough treatment protocol that can dramatically restore health to those with MS. Even though MS is widely believed to be unbeatable, Ann Boroach, certified nutritional consultant and naturopath, has developed a breakthrough treatment protocol that is having dramatic results. This landmark work describes how she cured herself of MS using complementary medicine, the real causes of MS, case histories of those who have triumphed over multiple sclerosis, and a comprehensive how-to section that will show you how to develop your own treatment plan. *Healing Multiple Sclerosis* contains everything you need to know to bring about recovery, including:

- A detailed and effective self-help treatment plan
- Delicious recipes and recommended foods with two weeks of sample menus
- A five-week nutritional makeover
- An updated and expanded step-by-step vitamin and supplement protocol
- Slow-start program for those that are more progressed or not
- ambulatory
- User-friendly charts and resources

Healing Multiple Sclerosis finally brings hope to those suffering from MS.

Customer Reviews

So helpful that in addition to my kindle version, I will be ordering the hard copy as well!

Nothing new and inaccurate on food choices - Went on Keto as a vegetarian and felt much better.
Not recommended.

This gives information that we need. When one has M.S., you need everything in print.

great book and great information!

Not much has changed much, but was interesting. I'm still trying to eat right, which I think is most important and we'll see if that helps.

Very informative and well written. Good information for those suffering with MS.

I bought this for a friend who has MS. She has started reading it, and is learning a lot from it.

Very informative book for people who suffer from multiple sclerosis. A must read for everyone!
