Another Man's War: The True Story Of One Man's Battle To Save Children In The Sudan

Synopsis

A gun-toting preacher, a rebel army led by a madman, and entire villages slaughtered just because they were in the way. In *Another Man's War*, follow Sam Childers's remarkable transformation from violent thug to a man of faith, and his ongoing battle to save children in one of the world's most lawless areas. "Another Man's War is about true terrorism . . . against more than 200,000 children in northern Uganda and Southern Sudan. Sam Childers is a fighter and a preacher (some call him a mercenary) tirelessly leads a small militia into the jungle, daring to fight against a vicious army outnumbering him one thousand to one. One man can make a huge difference. Sam Childers certainly does." Peter Fonda, actor/filmmaker, best known as star of *Easy Rider* "The Reverend Sam Childers has been a very close friend to the government of South Sudan for many years and is a trusted friend." President Salva Kiir Mayardit of South Sudan "The Reverend Sam Childers is a long time devoted friend to our government and his courageous work is supported by us." President Yoweri Museveni of Uganda "Sam Childers is one of those rare men [who is] willing to do literally whatever it takes to promote the message of Jesus Christ and save children from the tyranny of evil men." John Rich, lead singer and songwriter, Big & Rich

Customer Reviews

While it does sound like something out of pulp fiction, the story of how Sam Childers became the gun-toting savior of thousands of otherwise forgotten African children is not only true but will make you wonder what you're doing with your own life. Do not try to give me the "Yet another tale of the white man saving the African" argument. No one else, regardless of color, was doing what Sam has done and continues to do, which is help the freedom fighters of south Sudan, attempt to care for the displaced and orphaned children whose lives are in danger everyday, and shine a light on the ongoing struggle. Why should it matter what his race is?I recently met Sam Childers and he is every bit as charismatic as he seems in the book. The book "sounds" like Sam, meaning it's definitely written in his own words. His words are not always eloquent, but are always passionate.

I was moved and amazed at how God is able to use anyone who is willing to trust and obey Him.This is not a true but far off story of a Bible character who lived long ago doing amazing things, but a true, current, and living story of life and death in our world TODAY!Read it and then take action, personally and collectively to help all in need - whether in East Africa or in your own back yard.

awesome!

Sam Is a no nonsense guy that I could really relate too. As a Green Beret, I have seen many of the atrocities Sam speaks of in his book. As a Christian, it ha empowered my faith and left me with the question, who can I do more?

When I call this book a "difficult and inspiring read," it's not because of the prose. The book is written in a matter-of-fact, conversational way and it flows well.No, the difficult part is the subject matter. Sam Childers pulls no punches about his past as a drug-dealer, a biker hoodlum, etc. He takes the same approach to his work as a Christian soldier fighting against the LRA in Southern Sudan, rescuing children abused and orphaned by the vicious militia.Make no mistake, this is a violent tale ... in a violent place. Childers starts out helping roof a building for charity and winds up

establishing an orphanage right in the middle of a war zone. He talks about his walk with God, his inspiration ... and the desperate need for funds. This book was the inspiration for an equally difficult and inspiring film, "Machine Gun Preacher." Both are highly recommended.

Pastor Sam's story is awe inspiring, captivating and transparently inviting. I found myself moved to action to do what I can to not only support him but support those kids.

Childers was always a fighter. But after God found him, he started using his gift for rescuing orphans from warlords instead of dealing drugs. God works in mysterious but wonderful ways. Few western Christians could have survived where he has thrived in war torn South Sudan.

EXCELLENT book!!!!!! Would highly recommend!
