## Customer Reviews

Will be using this to cite attorney responsibilities. All the requirements in one place. The format is a little confusing, though. There are little black marks on the outside of the pages to indicate the beginning of each section - not TOC

very useful companion to my textbook- great price and quick shipping too!

Great book. Pages are a bit thin. Don't get it wet because the cover does NOT hold up.

I found that in class it missed a certain part of a rule. But it's only been one rule out of all the rules I went through in class.

Thank goodness for this book. It helped so much in my Legal Professions class. In a rule concentrated class, this book is a must.
