Each hike has detailed maps and directions with accompanying photographs to give the hiker a better appreciation of the hidden beauty and natural resources available to residents and visitors to our region. / Author: Bruce Scofield / ISBN: 1889787094

Although there are only 2 dozen trails described, the author provides very good trail descriptions and directions to the trailhead. Repro's of USGS maps for the trails are included but are a little hard to read because of their reduced size. Still, all-in-all, I recommend it.
