American Musical Theater

Synopsis

American Musical Theater provides a chronological history of musical theater within a cultural context. Covering the major artistic trends, seminal works, and leading figures in the field, the text uses case study musicals in each chapter as a lens through which to explore themes and developments in the evolution of musical theater over time. In addition to exposing students to the musical theater canon, author James Leve encourages them to think across the disciplines, drawing on their knowledge of music, literature, popular culture, and history. For anyone from diehard musical theater fans to novices to the style, American Musical Theater offers a definitive guide to this inherently American art form.

Book Information

Paperback: 448 pages

Customer Reviews

"The writing is compelling, and the expansive approach to musicals of the last twenty years and the musical analysis is better than anything else that I've seen." - Constance Cook Glen, Indiana University

"American Musical Theater is practical and informative. The author does a nice job of presenting the history in a clear, concise manner." - Merlaine Angwall, University of Wisconsin-Oshkosh

"This insider's approach-- as in 'here's the real story of how this musical came about'-- will engage my students." - Valerie Trollinger, Kutztown University of Pennsylvania

James Leve (Ph.D., Yale University) is Professor of Music at Northern Arizona University, where he is also the director of the graduate program.
