Customer Reviews

It shows basic knots and weaving for lanyards and bracelets. Not all-inclusive but worth the price. I actually know a good deal of knots as a sailor, but wanted to learn some braids for making lanyards.

this book is very informative. it has step by step instructions, i thought it would be more illustrated and with more elegant finish products.

The instructions throughout the book were simple for anyone to understand. Used several of the knots in placing paracord on my survival walking stick.

excellent explanations of basic knots, very easy to follow with clear images that match the explanation. Been very helpful in teaching the kids.

WHAT a VERY NEAT/INFORMATIVE BOOK ON KNOTS!!! LOVE IT!!!! ijcorona

It is very useful for a first timer

Very good book. I enjoy macrame. I've been doing it off & on for many years & always looking for new knotting ideas. Thank you.

Just learning...great pics and walk through of how to do itRecommend to any one wanting to get started. Great job
