I love all the DK Eyewitness Travel books. This one is no exception. Arrived promptly.

DK has the best travel guides.

Very Good concise Guide Book, well printed with great pictures and maps

I really liked this book. It is informative and full of wonderful color pictures of the areas in Spain. Great book to get before you explore this magical country!

Very good Would be better if it only covered one island, Mallorca.

This book has helpful information and photographs.

They present all the key aspects of the area in a concise and well illustrated form. I have yet to find one of their publications which has failed to meet all my needs.

Not a lot of information here. Nice little book that touches lightly on these islands. It just made me look for another book with more detail.
