180 Days Of Reading For Fourth Grade (180 Days Of Practice)

Synopsis

Regular practice is the best way to reinforce concepts and allow students to gain confidence and mastery of skills. With 180 Days of Reading for Fourth Grade you get reading and critical thinking exercises for students for every day of the school year. Presented in a consistent format from week to week, the activities in 180 Days of Reading allows students to progress in reading comprehension and word study skills, and makes diagnostics and assessment easy for parents and educators. Through both fiction and nonfiction reading passages, students get purposeful practice in engaging with diverse texts appropriate for their grade level. Ideal for after school study, intervention, or homework, 180 Days of Reading workbook activities are correlated to College and Career Readiness and other state standards. In addition to reading passages, data-driven assessment tips as well as digital versions of the assessment analysis tools are provided. With text passages that advance in complexity throughout the year, student learning is enriched by developing and honing skills of reading comprehension, interpretation of symbols, making logical inference, summarizing and responding to literature, and more. Boost your Fourth Grader's reading skills in a hurry with the easy-to-use activities in 180 Days of Reading! About Shell Education Rachelle Cracchiolo started the company with a friend and fellow teacher. Both were eager to share their ideas and passion for education with other classroom leaders. What began as a hobby, selling lesson plans to local stores, became a part-time job after a full day of teaching, and eventually blossomed into Teacher Created Materials. The story continued in 2004 with the launch of Shell Education and the introduction of professional resources and classroom application books designed to support Teacher Created Materials curriculum resources. Today, Teacher Created Materials and Shell Education are two of the most recognized names in educational publishing around the world.

She has presented her research at regional, national, and international conferences and has had several articles and books published. Her main professional interests are second language pedagogy and andragogy, second language acquisition, and bilingualism.

This is my 1st year homeschooling and im using this book to help my son read. So far it has been great!My son works on 4 pages a day in this workbook (he is a struggling reader) and he comes to us when he doesn't understand something. So far though i have been pleased with its lessons and such.Definitely great for new homeschoolers that can't afford those expensive curriculum books yet.Overall a nice book for our reading lessons.

Perfect for spiral review homework.

This was ordered for my 9yr old grandson per instructions from his tutor. Upon her recommendation its a 5star

I found this book due to my son's 4th grade teacher who used it all year. I began to use this book for my reading fundamentals class and it was very useful. There are a variety of passages both fiction and non-fiction and all weeks have a writing prompt that matches the material. You can use this as daily practice or as a weekly packet. The CD contains all the weekly passages along with spreadsheets to monitor performance and identify trouble spots.

I use this all of the time.

A great added resource to my classroom. My kids love it and so do I. Great way to assess kids reading above grade level.

Use all the time. Students complete these pigs and love doing them!

Awesome! very first shipping. I like it.
