Customer Reviews

This is an English translation of an opera libretto which, in its original French, sets a high standard for literary quality in operatic librettos. While it is worth reading even aside from Poulenc's lovely music, which is rare for such librettos, readers are well-advised to seek out the original French if possible. While Joseph Machlis writes in an idiomatic and eloquent English, he takes a few unfortunate liberties with phrases which would have been better rendered more directly.
