Be Distinct (2 Kings & 2 Chronicles): Standing Firmly Against The World's Tides (The BE Series Commentary)

Synopsis

God's people were never meant to blend in. Instead, we're called to stand out from the crowd, and become a beacon of hope. But nothing dims our light more than conformity, when voices that once proclaimed truth begin to quietly yield to a noisy world. Based on the books of 2 Kings and 2 Chronicles, this study offers an eye-opening look at the high price of conformity, and shares how we can stay distinct from our surroundings. Part of Dr. Warren W. Wiersbe's best-selling "Be Distinct" commentary series, BE Distinct has now been updated with study questions and a new introduction by Ken Baugh. A respected pastor and Bible teacher, Dr. Wiersbe examines how we can be salt and light to a world in desperate need of truth. You'll be encouraged to embrace your unique identity in Christ, and be challenged to rise above the world around you.

Customer Reviews

As a Small Group Leader / Bible Study Leader I find this book helpful. I purchase most of my books

as Kindle Ebooks so that it's handy to take all my books to Small Group without having an enormous library to carry around.

The "Be" books are wonderful. I appreciate the insight into the history and habits, the spiritual viewpoint, and the attention to Biblical detail and interaction. I always am enriched when I refer to these commentaries.

If I want a commentary I can trust for Bible studies I write, I always include Warren Wiersbe. He writes with truth, application, and interest.

Good study guide.

Very informative. Helped me understand the Old Testament better.

I love Warren Wiersbe, he explains God's word so you can understand it.
