Plants Vs. Zombies Volume 4: Grown Sweet Home

Synopsis

A new story arc begins! A group of young plants--led by Fred the Sunflower, Jeff the Bloomerang, and Grawrr-Bear the Bonk Choy--move out of Crazy Dave's garage and into his huge family mansion in Neighborville. Nate and Patrice head over with them to make sure they don't accidentally destroy the place, but why is Dr. Zomboss spying on them? What secrets does he hope to learn and convey to his zombie army? Artist Andie Tong (*Zodiac*, *Tron: Betrayal*) joins writer Paul Tobin (*Bandette*, *Marvel Adventures*) for the feature story! Bonus stories by Karim Friha, Nneka Myers, and others!

Customer Reviews

Praise for one of the previous volumes of Plants vs. Zombies from Dark Horse:"If you are a fan of plants, zombies, Plants vs. Zombies, or all-age adventure comics, take a look at Plants vs. Zombies: Lawnmageddon. It's a quick read and good fun, and if you're still in the Halloween mood in November, it fits that zombie itch you may still have." -Comic Attack"If you like Plants vs. Zombies this comic adds to its appeal. It's a good clean read for all ages." -Eat Your Comics

Paul Tobin is comic book writer whose best known works include: *The Age of the Sentry*, *Marvel Adventures: Fantastic Four*, *Marvel Adventures: Super Heroes*, *Marvel Adventures: Spider-Man*,

Colder, Plants vs. Zombies, and Bandette. The author lives in Portland, OR..

My boys (5 and 9) love this book as much as the others in the series. The story lines are silly and fun, the art is bright and exciting. I highly recommend for reluctant readers. I noticed other reviews stating that the illustrator was different, but my kids didn't care. It is a little different, but still very well drawn.

Nice book came quickly would buy again

Son loves it. Great price

Great story! Loved it!

gift for my 10 year old.. he loves it!

Good book

Grandson loves this.

Excellent!
