Heart Of Courage (Viking Quest Series)

Synopsis

Siblings Devin and Briana O'Toole are facing the biggest adventure of their lives. In exchange for Bree's freedom, they have agreed to make on voyage on the new Viking ship Conquest. With explorer Leif Erikson they travel from Norway to Iceland, then to Greenland and beyond, encountering the dangers of the northern waters and an unknown enemy within the ship's crew. Will the hardships be worth it in the end, or will Bree remain a slave? Mikkel, the young captain of the Conquest, is full of ambition. More than anything, he has always wanted wealth and fame. But he will need courage to lead his men on such a perilous journey--and to regain his lost honor. He doesn't even want to think about letting Bree go free. Only God can give Mikkel, Bree, and Devin a heart of courage for the challenges that lie ahead.

Customer Reviews

Children love adventure -- and Lois Walfrid Johnson has provided something new and exciting, as well as informational. I look forward to sharing the book with my grandchildren.-Janette Oak, author

LOIS WALFRID JOHNSON is a speaker, teacher of writing, and former instructor for Writer's Digest School. She is the author of 38 books, including Girl Talk, the Gold Medallion Book Award winning Let's-Talk-About-It Stories for Kids series, the bestselling Adventures of the Northwoods mysteries, and the much-loved Riverboat Adventures. In her exciting Viking Quest series Lois' characters travel from Ireland to Norway, Iceland, and Greenland, then sail with Leif Erickson to what is now America. Lois' husband, Roy, is a gifted teacher and idea person for her writing. They enjoy time with their family, friends, and readers who have written from more than 40 countries to say, "I love your books. I can't put them down."

This series is amazing! My 12 year old daughter devoured these! And I have to admit that I did the same! Lois Walfrid Johnson is an amazing author we have really enjoyed her writing style.

I can't tell you how much my kids and I enjoy this series. We use it in our homeschool and I had to secretly read ahead at night because I couldn't put it down! Love, Love, Love the whole series!

All of the Viking Quest series are really good! In this one Bree, Devin and Mikkel set out on an adventure across the seas, but when strange things start to happen Bree begins wondering if some one is trying to kill Mikkel! Will she find out who before Mikkel is injured? Splendid books! Just keep getting better and better! I Hope you read and like them all!

This is the first historical fiction my teen daughter has wanted to read. She's finished the series already and wishes there were more!

I really like this book ...especially since I'm a teacher and always on the look out for a book the kids will enjoy. The nice thing is I like it 2!!It's inspirational (very christian based),educational and exciting. Also, the service was gr8 ,and the book in good condition.

It is clean, christian based story that my son is most thoroughly enjoying and not having his mind polluted by the other nonsense they write for kids these days.

My 10-year-old loves this series!

Great series! Excellent book for anyone to read....
