## Synopsis

Ever since she can remember, Lizzie McMillan has been betrothed to Douglas Grant. She doesn't mind; he's nice enough. But her world is about to rip apart. After their betrothal ceremony, she and Douglas stroll about the garden, listening to the revelers celebrate. Suddenly, they aren't alone. Fergus MacIntosh, an intruder from their enemy Clan, captures Lizzie, tossing her over his shoulder to steal her away. Douglas flees back to the village, deserting Lizzie to her fate. Fighting mad, Lizzie tries to escape. When she discovers why she was kidnapped, she's horrified at the ramifications. But even worse, she realizes that Fergus was injured by her when she was a child. Fergus doesn't know that it was she who at twelve years old destroyed the course of his life. Lizzie is terrified at what he'll do to her if he discovers the truth. As her captivity continues, Lizzie finds herself in an unspeakable situation—she is falling for her kidnapper. But there is no way out. Love between them is impossible. When they, in turn, are captured, it seems that time has run out for both of them. Enjoy this Highland Romance set in medieval Scotland. Join Lizzie's struggle to not only free herself from captivity, but to be with the one she passionately loves. Grab it today!

## Customer Reviews

I don't often choose books by authors I'm not familiar with their name or their books. But I am glad I did as I enjoyed it !

I really enjoyed reading this book. It was humorous and serious. I liked the fact there was no foul language.

With out a doubt the worst book I've ever read. Not even worth the .99 cent price. No depth to the characters, story not even believable and the ending THE weakest I've ever encountered. Don't bother! I will not be buying this author's books again.

I've never heard about this writer and I was looking for something new to read, I'm glad I choose this book, it was we'll read and the story was told from the hart, the hero of the story is about a wonderful woman and the man that truly loved her for being herself.

This story is all bones. No meat and potatoes if you will. A sixth grader would be disappointed. The story has great potential to be one of those hard to put down books. It's like she was in a hurry to meet a deadline so I will just throw this together. Sorry Ms. Lena, but I truly feel you have more in you than this.

One never know s what is in the future. Love happens when its right in front of you, thoroughly enjoyed this story.

I wish the story had been longer, especially at the ending, where I would've preferred some groveling from one of the MC' s. But it was different from the standard romances, so I enjoyed it.

This story had an unusual plot and it was clean. Both of the characters were good people. Loved the characters and their story. I knew this was a novella when I downloaded it but I really do wish it was a full length novel. I am going to look for more books by this author.
