Quran Made Easy

Synopsis

This is the best basic book to learn Quranic Arabic. There has been a tremendous demand for a comprehensive Quran Made Easy for the Muslim children born in the west. Recite Hafiz Shabbir Ahmad Behlim has compiled this version basing it on his life long experience of teaching the young children to read and memorize the Holy Quran. All the instructions have been translated in English for the benefit of English speaking learners and teachers including the parents who are not familiar with Urdu or Arabic as a teaching medium, where the text is the original Arabic of the Quran and comments are in English and Urdu. This popular Quran Made Easy is complete in all respects. All the phonetic rule and regulations of Quranic Arabic have been given including the Quranic signs for pausing, stopping or continuing. After studying the Quran Made Easy, a child need not go through lesson by lesson instructions to read the Holy Quran. A young should easily be able to read the Holy Quran and complete it in the shortest time. This is one of the most popular books for Islamic schools and centers, with God's blessings; many have learned to read the Quran through being taught the method of this book.

Customer Reviews

My 5 yo successfully completed this book in 3 months. I do have to mention we went to a qualified teacher 4days/week every week, and we did reviews at home everyday. I dont have any background in Arab or tafseer, and I found it easier to navigate than Noorani Qaida.

Best started book for beginners! Used it myself as a child!
