## Customer Reviews

The reason for writing this volume 7 double line was because I thought it was very interesting and I wish there was a little more romance but it's a good story! I recommend this book to anyone who loves vampires in a different view of vampires !! I just love this book!!!!!!

I can't wait til the next volume!, hopefully this gets turned into an anime sometime in the future, I'm hooked on this story, artwork is awesome, I had read vol 1-7 in 2 days because I couldn't stop reading ^\_^

Amazing! This manga keeps getting better and better! It always keeps you wanting more! The characters are so interesting and the plot twists unexpected and breathtaking! 5 stars every day and

every night!

Another exciting volume added to the series. Couldn't wait to get my hands on this and loved every minute of reading it! Definitely one of my favorite series.
