Paddy And The Wolves: A Coloring Book About Saint Patrick When He Was A Boy

Synopsis

This is the coloring book version of the children's picture book, Paddy and the Wolves: A Story about Saint Patrick When He Was a Boy. It includes all the text and bonus material from the picture book, but with black-and-white line art so that children can color the story of Paddy's adventures, too. The line art was hand-drawn by award-winning Catholic folk artist Jen Norton. Young Paddy can't sit still during morning prayers, but he's more than happy to help the shepherd, Barra, watch sheep for the day! But who will watch Paddy when he wanders into the woods? As he explores the wilderness of Roman Britain, Paddy encounters many delights and dangers--and ultimately, the One who watches over him through it all. In Paddy and the Wolves, author Steve Nagel imagines St. Patrick as a young boy, weaving a story that uses the saint's childhood adventures to foreshadow elements of the saint's adult life. The coloring book includes four pages of bonus material, including a recipe for Paddy's oatcake, biographical information about Saint Patrick, the text of The Lorica of St. Patrick, and a simple board game based on the story.

Customer Reviews

Steve Nagel was art director and editorial director for many years at Saint Mary's Press in Minnesota.

This is a great supplement to the regular book. Telling the exact same story as the regular book, but with black and white pages, a parent can encourage their little one to color the story while the parent

reads the book aloud. This also enhances the learning experience for children, as they are able to put their own craftiness to the pages, making the story come further to life. It's always wonderful to find a way to supplement a story for young children, especially for those young ones who are not interested in sitting still for a story, and instead absorb messages while keeping their hands busy!

This is a wonderful coloring book! It follows the children's book so it is perfect because you can read aloud the story and have the children color. I love how the coloring book is exactly the same as the story book. Older kids can read the story as they color. The illustrations are delightful too and just right for coloring in!
