Spain And Portugal (National Geographic Adventure Map)

Synopsis

Waterproof Tear-Resistant Travel Map National Geographic's Spain and Portugal Adventure Map is designed to meet the unique needs of adventure travelers with its detailed and accurate information. Cities and towns are clearly indicated and easy to find in the user-friendly index. A road network complete with distances and designations for motorways, expressways, and secondary routes will help you find the route that's right for you. Specialty content to include hundreds of diverse and unique recreational, ecological, cultural, and historical destinations, make this map invaluable to travelers hoping to experience all the attractions the countries have to offer. The eastern half of the Spain/Portugal map shows the eastern half of Spain from its northern borders with France and Andorra south along its Mediterranean coastline to Almerfa. Portugal and the western half of Spain including the Canary Islands are covered on the other half of the map. The neighboring countries of Spain and Portugal were both powerful empires at one time whose discoveries, conquests, and cultures greatly influenced the course of world history. With the opening of trade routes and the colonization of the Americas, Spain and Portugal not only brought their languages, religion, art, literature, music, and architecture to regions across the globe, they introduced new agricultural products, spices, and knowledge of the geography and peoples of the world to Europe. Vacationers enjoy Spain and Portugal's lovely islands and extensive coastal beaches, as well as the plethora of historical sites, museums, and striking architectural masterpieces found in their sunny cities. Every Adventure Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough • capable of withstanding the rigors of international travel. Map Scale = 1:1,000,000 Sheet Size = 25.5" x 37.75" Folded Size = 4.25" x 9.25"

Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.

Bought for my sister who plans on visiting several Caminos in Spain. She was thrilled with how detailed it was and the paper it was printed on was so smooth and sturdy without the limitations of heavy lamination.

I am headed to this area on a hiking trip this Fall. The trip has been planned by an outside company and have received the 'hiking routes'. The Map is great because I can see names of small villages, etc. we will be passing thru.

The maps arrived very quickly. Quality of paper is excellent. Will accompany me during my upcoming trip to Spain and Portugal!

The map seems to be well-constructed with sufficient detail. We will see when we travel to Sapin in March.

Mapped out my route for my wife and parents when walking the Via de la Plata Camino from Sevilla to Santiago de Compostela. Had virtually all of the towns I went through.

very helpful - and it didn't fall apart when folded

very good thanks

Needs more detail for country driving.
