## Customer Reviews

One of the biggest names in the manga industry today, Mitsuru Adachi made his debut in 1970 with *Kieta Bakuon* in the pages of *Deluxe Shonen Sunday*. The creator of numerous mega-hits such as *Touch*, *Miyuki*, and *Cross Game*, Adachi Sensei received the *Shogakukan Manga Award* for all three of the aforementioned series. Truly at the top echelon of the manga industry, his cumulative works have seen over 200 million copies sold, and many of his series have been adapted into anime, live-action TV series and film. A master of his medium, Adachi has come to be known for his genius handling of dramatic elements skillfully combined with romance, comedy and sports. He, along with Rumiko Takahashi, has become synonymous with the phenomenal success of *Shonen Sunday* in Japan.

I love the series and I wish H2, Touch, Rough, Katsu, Mix and all of Adachi's works were brought over.

good job.

Another hit by Adachi Mitsuru. There's just something about his works which compel me to love them. Maybe the meta-commentary.
