The Book Of The Cat: Cats In Art

Synopsis

Cats have been revered by artists since ancient times for their beauty, grace, independence, and air of mystery. Domesticated, but with a touch of the wild about them, they share our homes and endlessly fascinate us. The Book of the Cat is a cool and quirky collection of feline art and illustration by artists from around the world. Interspersed through the illustrations are short texts about the artists and their subjects. Beautifully designed and packaged, the book will appeal to cat lovers of all ages.
