DESPERATE TO SUBMIT

Synopsis

It's the 1950s in puritanical New England but not in Shelburne Falls. Michael Brickford, of Brickford Industries controls the destiny of Shelburne Falls. Michael is rich, handsome and debonair. He doesn't get his women by seduction but, instead, from their desperation. It's the submission that gets him aroused to a fever pitch. Michael is ahead of his time, eager for the pleasures of sex in all the wrong ways. Desperate to Submit is a Powerone novel of complete submission to those that have the power and money to take what they want from the less fortunate, but there is always those that get their pleasure in being dominated. Those unfortunate enough to live in the poor, north end of town are easy prey for him. Some try to get out of the north end of town using their skills with their bodies as collateral, but there is a steep price that they'll have to pay. Michael has friends interested in the more exotic pleasures that few have the money to partake in. Even for those that live the better life, favors from Michael come with a cost. A beautiful wife is always the barter that he deals in. Those that owe him money and cannot pay can expect an unusual method of collection for the past-due debt. Yet there are strong women that find themselves in desperate situations. Can they overcome all the obstacles that men put in their way and come out on top with Michael and his friends?
