## Customer Reviews

Ok I bought this thinking it would be a step by step or even a how to draw different body types, hair, eyes or y'know things you expect from a how to draw book. But I got none of that in this book. It's horrible it's a crude attempt at a how to draw book and I could learn more by using online images for free. I bought this thinking I could have a nice how to draw book when I travel or go on a trip and I can't do that with this.

I cant view it. accidently hit a button. I don't have a kindle. How do I cancel order? It won't let me cancel it.
