When Do Fish Sleep? And Other Imponderables Of Everyday Life

Synopsis

Ponder, if you will ...Why are tennis balls fuzzy? How come birds don't tip over when they sleep on telephone wires?What makes yawning contagious?Why, oh why, do roosters have to crow so early in the morning?Pop-culture guru David Feldman demystifies these topics and so much more in *When Do Fish Sleep?* -- the unchallenged source of answers to civilization's most baffling questions. Part of the Imponderables® series and charmingly illustrated by Kassie Schwan, *When Do Fish Sleep?* arms readers with the knowledge about everyday life that encyclopedias, dictionaries, and almanacs just don't have. And think about it, where else are you going to get to the bottom of why Mickey Mouse has only four fingers? --This text refers to an out of print or unavailable edition of this title.

Book Information

Audible Audio Edition

Customer Reviews

Another Imponderable thought provoking book by David Feldman. Love to think about all of these great questions.....and do we know When Do Fish Sleep? Hmmmmmm

A great book for the whole family. Reading level about 5th grade and up. It's answers all kinds of questions.

All around great experience!

Excellent product! The product was in great/new condition without marks or blemishes. I recommend this product 100%!!

Thanks

Just my kind of book. Answers questions about everyday things that have pondered me for years.

Cool and interesting, but I was hoping to read it with my 6 year old. Not what I expected. Still pretty cool though.

yay! Its Great!
