Introduction To Biblical Interpretation, Revised Edition

Synopsis

The authors of this book have combined years of expertise and devotion to Scripture to provide a truly unique volume that sets forth concise, logical, practical guidelines for discovering the truth in God's Word.Â Ten years after its initial publication, the authors now have thoroughly updated it in light of the latest scholarship."This is a remarkably comprehensive study of the whole area of biblical interpretation.Â Thoroughly evangelical, it also interacts with nonevangelical interpretational stances.Â No other volume available on biblical interpretation does so much so well."- Douglas Stuart, Professor of Old Testament, Gordon-Conwell Theological Seminary

A good book for theological studies. A great source for referencing.

A solid textbook for exploring the many ways in which pastors and preachers need to equip themselves when studying and proclaiming God's word.

Helpful reference book.

Best I have ever read on biblical interpretation

Book in good shape and as described.

Everything went well as planned. Thanks,

as described and on time
