Chosen By The Vampire Kings (The Chosen Series Book 1)

Synopsis

Bestselling BBW Vampire Novel. Contains scenes with mÃ©nage. Series reading order - 1#Chosen by the Vampire Kings 2#Stolen by the Alpha Wolf 3#Unlikely Mates 4#Awakened by the Vampire Prince 5#Mated to the Vampire Kings 6#Wolf Whisperer (Novella) 7#Wanted by the Elven King Every hundred years, tradition dictates that all eligible females in Sweetwater assemble for the choosing ceremony. Two vampire kings have separate territories within the surrounding countryside. Both are eager to pick their future brides. What a waste of her freaking time. Tanya is among the many women at the choosing ceremony. As far as sheâ€™s concerned itâ€™s an outdated, sexist event and if it wasnâ€™t mandatory she so wouldnâ€™t be here. Itâ€™s not important that the two males are ridiculously rich and handsome. Deep down she knows a plain Jane like her will never be picked by one of the kings anyway. Many of the women in the town square are stunningly beautiful and model thin. Most seem enthusiastic about being a queen even if it means being mated to a blood sucker, which suits her just fine. Imagine her surprise though when King Brant sets his sights firmly on her. Once a vampire king has decided, thereâ€™s no going back. But her home is in Sweetwater. Being forced to live amongst the vampire speciesâ€™ big gulpâ€™ forced to mate with a vampireâ€™ is not what she had in mind for herself. Maybe she can convince him to let her go, to pick again. If not, sheâ€™ll have to find a way to escape his - very muscled and rather delicious - clutches. This novel is 129,000 words No Cliffhanger!! The story contains strong sexual themes/language and is not intended for readers under the age of 18.

Customer Reviews

I started reading this bundle and could not go to bed until I completed it. Charlene Hartnady knows how to write a perfect story that draws you in and makes you want more and more. I love menage books and this one fits the bill 100% and in an unexpected way. Every 100 years there is a choosing. Each vampire of the two kings come and scans the crowd of women (they have no choice if they are of age and single they must be there). Zane and Brant are devoted enemies and so you can imagine how this is going to go. Tanya is a curvy girl and she does not dress up to go to the choosing. She figures they will pick one of the skinny models and she can return to her book store. Zane picks first and the women is not happy. Tanya steps up to stop the choosing and guess what Brant picks her. OH there is so much more to this story and it is such good reading. How do they get from 2 vampire kings and 2 human women to one menage? Grab this set (it's a steal) and find out.

I loved the story as it began but it changed quickly. became dark and suspenseful, wasn't to my liking at first. I tend to like one on one couples but this is about a menage' that I think was handled very tastefully, She was shared but not as a threesome until the very end and I could handle that. I am waiting to see if there is a continuation with other characters in the story, I am hopeful there will be!!

If you are looking for a very good paranormal read. Then this book bundle is for you. It is full of action, romance and suspense. It also has some very alpha men in here. This is a really good read and it has some good laughs in it. I have to say that I didn't read this book bundle first from this author. What I read from this author first was her series The Program. After I read all the books in that series. I had to go to the very beginning of her series to understand all these Very Hot Alpha men in this series. I have to say that they are all worth the read. So I say. Get this bundle and enjoy. I know that I did.

Who would of thought that domineering, opinionated and sexy all rolled into two was what Tanya needed. Even she did not think that they would want her but was she so wrong. Brant and Zane were every women's wish come true and she had all that delectable flesh and bodies to herself.

I liked this! I liked this for what is is - full fantasy and paranormal romance. Yes, the romance is definitely on the steamier side of things. But I knew that going in simply by looking at the cover I'd be satisfied. I'm definitely going to continue on and read the next series Stolen by the Alpha.

How did I not know about this book earlier, it is so good and makes the program series much clearer and better. This is a book that you must read.

This is a new twist on the lore of vampires and human interaction. The vampire kings get to choose their mates it is a pull that they can't resist. Some of the human women want to be a mate but a few don't. And that's where the girl she doesn't want to be a mate but you can't refuse is law. So enjoy the read to see that the girl just doesn't get one king she gets two and her HEA !!

Well developed hot and steamy..it will make you laugh and cry and get angry all at once. The characters are all multi-dimensional and that is rare at times in romance novels. Definitely a secret pleasure read.
