## **Customer Reviews**

let me begin by saying i always wanted to draw, i tried and got discouraged i had art classes thru school but that didn't help me at all. So i stopped drawing/ doodling,until now i got the bug to do it and seen some other left handed people who were quite good and thought if they can so can i. I bought this book and a pencil set from along with a sketch book. I started on Saturday afternoon 4-16-2016 reading and trying to follow the lessons im only at chapter 4 part c but for the first time i'm confident i can do this. Thank You for making this book to help people like me
