I Fish; Therefore, I Am: And Other Observations

Synopsis

Three bestsellers in one delightful volume--at an unbeatable price! With his own particular brand of wry tongue-in-cheek humor, Patrick F. McManus spins riotously amusing slice-of-life stories of men, women, and their adventures in the great outdoors. The laughter will start right at the clever titles: *A Fine and Pleasant Misery*, *Never Sniff a Gift Fish*, and *They Shoot Canoes, Don't They?* Full of enjoyable exposés such as "All You Ever Wanted to Know About Live Bait but Were Afraid to Ask," "Psychic Powers of Outdoorsmen," and "The Night Grandma Shot Shorty," they'll give readers hours of pleasure. McManus takes the wildly unpredictable aspects of outdoorsmanship and reveals, with humor and wit, the pitfalls and triumphs of man (and woman) versus nature.

Customer Reviews

Book came in as ordered wrapped in plastic as original. A friend of mine had some share this book with him. He asked if I could look on that computer thingy and see if the book was still available. I told him if it was then I'd order it for him. I ordered on May 14th and it arrived May 23rd. I took it over to him. He cried with joy. Something so simple can make someone's day.

Bought this for my husband, and he loves it. He is a great fan of Patrick McManus, so this was a good treat for him. Sometimes he has to read excerpts to me, and they are funny.

You'll find yourself laughing out loud. This book is thick so you'll laugh a lot! I think this is out of print. Get one while you can.

Fun stuff! McManus is in great form. Hilarious!

Patrick McManus should be required reading for all outdoors people. With many of his stories I can see my camping/hunting/fishing expeditions in real life.... as though he had been following me around writing my adventures.

I bought this book for a friend who had never been introduced to Patrick McManus. This will change his life! I have enjoyed reading McManus for years and years, ever since I was introduced to They Shoot Canoes, Don't They? He is a gifted writer.

Patrick is the funniest man on any planet! Anyone would love this book. He is an outdoor writer at heart but a humor writer for all people.

Laugh out loud.
