Enslaved: The Orc Captive Part One

Synopsis

When orc raiders attack her caravan and the guards lie dying, Gillian expects a similar fate. Instead, she discovers the beasts have other plans for her. Bound and blindfolded, she knows each step brings her closer to an uncertain future. But when she captures the attention of a powerful orc— a grayskin that looks at her with such raw, piercing need that she is held captive in his gaze—it occurs to her that he may be the key to surviving the barbarity of the horde. Her only hesitation is that she must consider what he will demand in return for his protection. Enslaved is a novella. It is the first of three entries in The Orc Captive serial. Due to strong sexual content, it is recommended for mature readers only.

Customer Reviews

I have to say that the story was short and got straight to the point. You hear about her woes and trials but the main character never really hangs on them. Sadly enough the side character are just

that. One line here or there and then they are gone, until the moment when it counts. I have to say the writing is good with no errors but I truly wish it was just a tad bit and not rushed.

This story surprised me! I was intrigued by the cover and the unique types of characters. I mean, a sexy story about an Orc? I would never have thought it could be done but it was and it was great!

Darkly erotic, and kept me interested from the start. The only thing that could have been changed was it evolving into a novel instead of a part series.

Raunchy, but intriguingly good. I couldn't stop reading even though I felt it was a bit distasteful their use of women in general.

This story was not what I expected. The storyline was really good. The female lead character was tough and no damsel in distress, with her orc lover. A very good erotic fantasy story all around.

Interesting

Very short novella, but well developed for fantasy erotica. I noted a trend to anthropomorphise the "good" hot male orc, and distinguish the "bad" ugly orcs as bestial lessers. It lessens the taboo by making the monster more like the victim.

As an old man of 80 I loved it all and will love. The next even more if I can just learn how to operate this app. My rating is the absolute highest possible like 100000100 StarGenesis for old men
