Australia & New Zealand (True Books: Countries)

Synopsis

Ideal for today's young investigative reader, each A True Book includes lively sidebars, a glossary and index, plus a comprehensive "To Find Out More" section listing books, organizations, and Internet sites. A staple of library collections since the 1950s, the new A True Book series is the definitive nonfiction series for elementary school readers.

Customer Reviews

Elaine Landau is the author of several nonfiction books for children.

OK book for primer for Australia and New Zealand visit.

I highly recommend this book for teaching children about Australia and New Zealand. It is just right, provides good information and isn't long winded. It's actually fun to read. Remember those deadly dull country books we had to read or browse in when we were kids? Hopefully those books are passe!
