Customer Reviews

I bought 2 of these books & mailed one to my friend in Michigan! We compare pictures! Great stress

relief! I bought the "after dark" book, too!

Absolutely absolutely love these books pictures are just perfect I couldn't have asked for anything better

Helps relieve stress, variety colorings

My teen likes this very much!!

Too funny!

Amazing book, you'll love it! Was expecting the black background on the pages like the cover shows, but they're white. Back of each page is black with the same design. Still, great book overall!

I like this book, it hilarious without being flat offending. I wasn't impressed with the ones that dropped the C bomb but these are great. I like the black background, it makes everything pop.

I bought this for a friend's 39th birthday. It was a lot of fun to read through the pages. She brought it camping that weekend and sent a pic of her progress. I'd say it was a big hit!
