# Brave As Can Be: A Book Of Courage (Growing Hearts)

## Synopsis

From the author and illustrator of the bestselling *In My Heart!* The life of a toddler can be full of frightening things: the dark, the neighbor's dog, and thunderstorms, just to name a few. As children get older, they begin to feel braver around these everyday events, but how do they build this newfound confidence? In this lyrical, insightful picture book, an older sister explains to her younger sister all the things she used to be afraid of, along with some tricks to help, whether it's a special blanket for bedtime or singing during a storm. Now, big sister assures little sister, the fears that once felt as big as a mountain feel as minuscule as a speck of dust. This playful portrait of fear and bravery empowers young readers to confront once-scary situations and, with charming illustrations and die-cuts throughout, is also beautifully packaged. The Growing Hearts series celebrates the milestones of a toddler's emotional development, from conquering fears and expressing feelings to welcoming a new sibling.

## Customer Reviews

"Thoroughly entertaining." (Kirkus Reviews)

Jo Witek is the author of *Hello in There!* and *In My Heart*. She is an author, journalist, and

screenwriter. She lives in France. Christine Roussey is the illustrator of Hello in There! and In My Heart. She works in advertising, as well as with newspapers, magazines, and publishers. She lives in France.

Cute illustrations although I thought the story was lacking. I was hoping that this book would really encourage my daughter to face problems with courage but it failed to meet my expectations. It is an enjoyable story for what it is, although I probably wouldn't have purchased this book if I read it through first.

Had the heart bok about feelings and my daughter loves that one. Was looking for a book about being afraid since she hates the dark and found this. She (4) loves this book too. It has been great before bed and reminds her of how she is brave.

We love this serie of Jo Witek. Special cutouts and illustrations excite my 6 year old girl everytime. Thanks to their stories I go with the "love" and "brave" books of the serie tough, my girl loves this book "joy" most, since she opens several windows on each page and enjoys the surprise.

no as good as the Heart book...

Beautiful illustrations and great book. My little one and I enjoy reading it.

awesome book! my kid loves reading it

This is an extremely good book. Brought me back to my childhood I could relate. My two and three-year-old understood it clearly. And the pictures are awesome

the cutest book I have got for my children.
