Customer Reviews

Great sale and fast delivery. This book is such a great refresher.

Good read, lots of information.

I am using this book as a supplemental reference for my Advanced Pharmacology class, so far it has a lot of good information and the layout is easy to follow.

Makes the difficult things easier!

Good book for nursing students!

The book itself is ok. Does not include all of the details needed for nursing school, but it somewhat helps.

Excellent book, easy read and very informative.

Brand new!! Perfect condition. 5 Star-thank you!
