VERY beautiful tarot deck. It's a secondary deck I keep around since some people seem more comfortable getting a reading when it's looked at as "Native American" over European (silly, but comfort is important when it comes to getting a good reading). The information within is beautiful and, being part Native American myself, I was impressed to find a solid unitarian deck that is respectful to the cultures from which it draws. The booklet contains some incredible and intimidating spreads and I look forward to trying them as I get to know the deck better. I'm not a personal fan of the art, but the rustic hand-drawn style appeals to most of the people who've seen my deck.

Bought these for my grandmom and the booklet that comes with it is just so confusing, it's not in order by the cards or alphabetical or anything. it's not for amateurs.

Great, fun deck. A little difficult for a beginner like me, but glad I went with it.

nice book and deck, a lot to learn, very nice!!!

Anyone who collects Tarot decks needs to get this one. This is also for people who are interested in Native American culture.

Fabulous!
