My 14-year old son loves this book. The variety keeps him practicing.

Granddaughter is first year with band in high school. She loves the Sax--at first she sounded like a sick moose, but has developed more confidence. She wants to stick with it-- so this book has a

great variety of songs to learn over the Summer.

My son loves it!

Has different levels from beginner to more complex. Fun songs. Granddaughter will be using this book for a long time.
