The holiday-makers' favourite guidebook series The Sunday Times

Lesley Reader and Lucy Ridout have together, nearly thirty years worth of experience writing about Southeast Asia. Lucy Ridout is the co-author of the Rough Guides to Thailand, Bangkok and Thailand's Beaches & Islands. --This text refers to an out of print or unavailable edition of this title.

Not very user friendly. Very little in the contents so navigation was difficult. The maps were local only and you could not navigate to a larger map area so was little use when deciding an itinerary

No matter where we have traveled in the world, the Rough Guides are truly the best in giving the most comprehensive information in an interesting format. Even the language section is quite complete, negating the need for most language guides in most situations. We find they also have a quite extensive list of travel locales so even in remote areas, we find a guide to help!

Great Product Fast Shipping A+++

My fiancée and I are traveling to Bali next June for our honeymoon and this guidebook has been a really great resource to get us started. Lots of information about all the different towns and villages, sights to see, travel information, companies that offer tours and other activities, and a little history and background thrown in as well....just a ton of great stuff in without all the fluff of some other guidebooks I've read in the past. Highly recommend this one for anyone traveling to Bali or Lombok.

This book is easy to navigate. Information is presented well and easy to understand. Topics covered are current and of interest to me.
