Customer Reviews

Chris Kinsley beautifully captures the allure of Biltmore with lovely rhymes, hidden pictures and fantastic perspective. My children loved trying to be the first to find the hidden picture on each page, and each rhyme sparked conversation about life at Biltmore. The book provides insight into the Biltmore Estate for adults as well with lots of facts and information about both the known and off-the-beaten paths at Biltmore. A lovely book which I would recommend for children and adults!

This beautiful book is a wonderful way to introduce children and adults to the Biltmore. The photos, which include the wildlife and garden plantings, add appealing interest on every page. When I next visit my mother on her memory care unit, I will take the book to "read" with her to stimulate her lifelong love of the outdoors. Chris Kinsley has captured the essence of the Biltmore gardens, reminding me that there is much to see and enjoy. The photos brought back memories of the day we spent at Biltmore.

I love everything written about Biltmore. This is a neat book to share with me three young grandsons. They go to Biltmore with me a couple of times a year. Hoping they catch my passion for Biltmore. I'm glad I found this book.

Taking a trip to Biltmore Estate October 2016 and I wanted a book with great photos in it and this one had the best reviews.

Awesome book to share with any kids planning to visit Biltmore Estate in Asheville, NC with their families.

Gift for teenage grandson! He loves it!

This book is suitable for younger kids. I purchased it for a teen. I may send back.

I love the Biltmore Estate!
