Shane Frederick has been writing about sports teams and athletes ever since he worked for his high school newspaper in Chippewa Falls, Wisconsin, in the late 1980s. He currently covers college hockey and other sports for "The Free Press" newspaper in Mankato, Minnesota, and his stories have captured awards from the Associated Press, the Minnesota Newspaper Association, and the Society of Professional Journalists. He is also the author of several books about hockey and football. A graduate of the University of St. Thomas, Shane lives in Mankato with his wife, Sara; their three children, Ben, Jack, and Lucy; and their dog, Charlie.

If you are looking for a big book on Hockey then don't go for this book. Probably my fault in not reading the description but I expected the book to be thicker - filled with more pages. It was a filler under the Christmas tree but because it is paperback (measures around 8x11) it didn't really have any presence. That being said, my son enjoyed reading through the book and the facts presented.

I bought this for a gift for a boy that loves ice hockey and he loved this book!

We ordered this as a gift for a nephew who is becoming a big hockey fan. When it arrived we were very disappointed that it looked like a magazine rather than a book, and so not a very impressive gift. Would have returned it if we'd had more time.

MY GRANDSONS ARE BOTH HOCKEY PLAYERS AND LOVE ANYTHING RELATED TO HOCKEY SO THIS IS A NICE ADDITION TO THEIR LIBRARY

GREAT book for my little hockey fan.

Please see all the hockey book reviews above. All books, which touch on different aspects of the game, were wonderful. The young hockey fan for whom we got loves every one.

Out dated.

my grandson is a hockey nut and this is a wonderful book for him. he is studying it like crazy!
