Customer Reviews

I am delighted that this book, though short, exists. Mr Edinborough is a captivating, humorous and quick-witted man. I had the pleasure of meeting him and unfortunately, the fire and passion revealed in that 5 minute meeting is not sensed in this book. The book does serve a purpose though, it provides the facts on Mr Edinborough's education and some of his experiences. I was hoping for more...perhaps some examples of his fine work...but maybe that could be another book to look forward to.
