Get ready to go ghost hunting in Mobile Alabama again but with a different group of hunters this time. This is the first book in Ms Bullock`s new series, Gulf Coast Paranormal. Meet a new group of sensitives, ghost hunters and technical gurus, including an artist who paints ghosts and the past. Her name is Cassidy and she lost her sister some years before, Kiley Starr just disappeared. No one knows what happened to her and big sister , Cassidy (don't call her Cass or Cassie), is determined to bring her home, preferably alive but if not then her body to be buried properly. She held her baby sister in the hospital room as her mother died from complications of childbirth. She held and fed Kylie as she grew and she feels she should have protected her from whatever befell her. She starts painting her dreams, meets up with a dedicated group of ghost hunters and then the real work begins. Come back to MobileAlabama and chase with them. As always the writing is outstanding. A new set of characters that are as characterscompelling as those from her previous series, Seven Sisters. You will regret it if you miss this one. Just don't say " Boo". Highly recommended.

I can't even tell you how much I loved this book! I'm a true horror/suspense junkie and M.L. Bullock is right up there with the best of them! I hate giving spoilers, so I wont. But I can guarantee The Ghosts of Kali Oka Road will keep you up late turning pages like a madman (it did me). I loved the characters and felt a real connection with them. The storyline was exciting and unpredictable. I can't wait for the next Gulf Coast Paranormal Book.

I liked it but, I wish it was longer and that we knew more about the ghosts when they were alive. I will definitely read the next installment as I love this author!

This book had the twist & turns that I love. Your heart goes out to Cassidy and I was actually rooting for her. Really good book, well written. My only problem is I wish it was longer.

Couldn't put it down. Can't wait to read book 2!

I lived on KaliOka Rd in the 1970's. Great book.

Enjoyed this story. Good characters and easy reading. I have read M.L. Bullocks books and have always had wonderful time imaging situations. Good book!

Great read, especially if you live or have lived in Mobile/Baldwin County area. I heard ghosts stories of Kali Oka all my life.
