Korea North And South 1:1,500,000 Travel Map, 2012 Edition NELLES

Synopsis

Korea North and South 1:1,500,000 Travel Map, 2012 edition NELLESDouble sided, folded map of the Korean Peninsula, covering both North and South Korea at 1:1,500,000, with sheet size 79 x 50 cm / 31 x 19.5 in. offering a convenient format for use when travelling. The map divides the region north / south, including a very generous overlap between the two sides. Relief shading with spot heights and names of mountain ranges presents the topography. Road network distinguishes between highways in good and poor condition and shows distances on main routes. Railway lines and local airports are included, and ferry links from South Korea to its outlying islands and Japan are marked. The map also shows internal administrative boundaries in both countries with names of the provinces. National parks or protected areas and numerous other places of interest are highlighted in South Korea. Within North Korea only a couple of ancient historical sites are marked. Latitude and longitude margin ticks are at 4' intervals. The map has no index. An inset provides a street plan of central Seoul at 1:20,000, indicating main sights, various facilities and institutions including several foreign embassies, and selected hotels. The legend is in English, French and German, the map has the reliable, practical concertina fold and hard cover.
