Customer Reviews

Wallpaper* City Guides are compiled by the magazine's travel experts, both by in-house editors, and correspondents who actually live in the highlighted cities, providing up-to-the-minute information.

Super disappointed and baffled that Wallpaper would have suggested the Moon 23 Hotel - a terrible, unsafe recommendation. Surprising from an otherwise excellent series of guidebooks.

the best product, high quality and low price . perfect. It's a sharp and a very nice Chef product. i think it is very good , it is very fast delivery.
