A Guinea Pig Nativity

Synopsis

You know the story ...Mary and Joseph make the journey to Bethlehem, only to find there's no room at the inn. Then along come angels, shepherds and three kings from afar to worship the baby Jesus in the manger. A Guinea Pig Nativity is the classic Christmas story as you've never seen it before: with (you guessed it) guinea pigs photographed in the starring roles. Sweet, humble and funny, they bring their own guinea-pig-joyfulness to the nativity in a way that is completely irresistible. It's the perfect stocking filler!

We defy you not to be won over by it. * Saga *

A Guinea Pig Nativity is the Christmas story, as told by guinea pigs.

This book is so cute and is a must have for the cavy lover. The nativity story is told with pictures of guinea pigs dressed as the characters from the Gospels. The dramatis personae at the end of the book make it even more fun. Have a giggle moment and get this book.

I really love this book. The guinea pigs used are so expressive. It follows the Biblical accounting of

Jesus' birth using pictures of adorable guinea pigs.

book had a big crease on the cover

The Nativity with guinea pigs? What a delightful intro for a new or young reader into this beloved story, AND for adults to admire the adorable cuteness of the pictures, the tiny costumes, the cast of characters--all done with loving attention and due reverence. You must buy this book, not only for your bookshelf but to give as gifts to anyone with a heart!
