Six Summers In Menorca

Synopsis

When Englishman Cliff Barnaby bought a Bijou top-floor apartment in a small Spanish town at the entrance to Mahon harbour in Menorca, he could not have guessed what lay ahead. This book recalls the hilarious and unexpected events of six sweltering summers living in the sun with his family, whilst attempting to interact with the local culture. A great summer holiday read or an effective winter pick-me-up, this book also serves as the perfect primer for anyone thinking of taking the property-buying plunge in sunny Spain.
