Middleburg Mystique: A Peek Inside The Gates Of Middleburg, Virginia (Capital Hometown Guides)

Synopsis

"Middleburg Mystique" reveals the charms, gossip, and scandals of this small well-to-do village, and the surrounding swath of horse farms just 50 miles west of Washington, D.C. It tells of scandalous divorces (like actor Robert Duvall's wife running off with the poolman) and racy murders (like heiress Susan Cummings shooting her Argentinean polo-playing lover). Middleburg has captivated the Kennedys, Elizabeth Taylor, Robert Wagner, and Oliver North. It has gossiped about misdeeds, then turned around and protected both rich and lowly as if they were all family.

"Middleburg Mystique" also provides an insider's peek behind the grand stone entrances of massive estates with names such as "The Meadows" or "Heathfield" that belong to families such as the Firestones, Mellons, and Marriotts.

"For its horsy tradition and pomp, Moon's continuous stream of anecdotes is a jaunt." -- Newport News Press "Moon's book is 224 pages of choice stories locals have been telling for years..." -- Sarah Greenhalgh, Fauquier Times-Democrat "There's enough dish about high-society goings-on to titillate the reader..." -- Ann Lloyd Merriman, Richmond Times-Dispatch

With Jackie O on the cover of this book you would think it's a book about her don't judge a book by its cover it's not. And it's not about the horses either but about the town of Middleburg. If you like to read about the rich and wealthy the beautiful people read this book. My recommendation read The 2 books of The Season the British version and the American. This book has the same story lines. All 3 books are fast easy reads about the Rich And Wealthy. Enjoy my Recommended Books. THANKS CHRIS OR PAMELA

This is a wonderful book on the life of America's Queen. Huge book full of beautiful photographs. You will love the horses, people and places described and pictured. Well worth the price!

I think I must have read this before and had forgotten - it still is boring and rather amateurishly written. Do not recommend unless you actually live in Middleburg,

A little like grandma's getting together and gossiping about what's going on, but in a town like Middleburg, that kind of stuff is gold, Pure gold.

crap. totally worthless.

Just what I needed. Now living in the general area and it was an interesting read. Actually knew a few people whom Vicky wrote about. A gas.

excellent remembrance of how life was lived in their private times. Interesting to see the lovely countryside of their escape from DC
