Faerie: Volume I

Synopsis

Unexpected pleasure comes between two unlikely lovers. Cerysa has always been drawn to human culture. The extravagant nature of their lives has stirred an investigative curiosity deep within the young beautiful Faerie. Armed with only simple magic and a deep desire to explore the unknown, she is intent on cutting herself a lavish piece of the neighboring humans' surplus. Auburn is a giantess in comparison to Cerysa, and entirely unaware of the little winged intruder. She lives alone and takes great pleasure in her luxurious privacy, unaware that she has been targeted for theft. The fated encounter of the two could put each individual's way of life in peril, but also provides an opportunity for an experience of rare and erotic nature. It quickly becomes clear Cerysa had much more to gain than a few stolen trinkets. Volume I of Faerie follows Cerysa in her first encounter with Auburn, telling a story of how lust and forbidden desire lead to so much more. [This is a work of erotica and contains graphic descriptions of sex acts and other explicit adult content. This eBook is not suitable for persons under 18 years of age.] Tags: Lesbian, Fairy, Giantess. Word Count: 16000 - 17000.

Customer Reviews

Promising as a first volume, and charming in its own right; fans of the genre will find much to enjoy here. It's not always easy to manage both sexy and cute, but the interactions between the intrepid faerie and her curious human are by turns adorable and erotic. The scene-building makes it easy to vividly imagine the different rooms of the house, and the prelude to the 'real action' is enjoyable in itself, not feeling like mere filler. Definitely looking forward to more.

Book was very cute, with a lot of sexy and creative interaction between a little fairy and her lovable human friend.
