Customer Reviews

I found this guidebook is super helpful and informative. Here I have found bounce of helpful guides, tips, and helpful information about Emotional Intelligence. By the help of this book I have learned about how to develop my emotion and take control over it. This book guided me about how to improve leadership skills. By the help of this book I have learned how to develop better professional relationships. I didn't face any problem to understand any part that the author described here. This book helped me to learn all the basic of emotional intelligence. Guys, honestly, this book is amazing and you will get lots of helpful tips from here.

By reading this book, i was able to learn Emotional Intelligence " The Basics, Principles of Emotional Intelligence, Emotional Intelligence at the Work Place, Emotional Intelligence in Social Situations, Tips To Increase my Emotional Intelligence, Everyday Communication Skills, People Skills, Easy Ways To Improve Interpersonal Skills At Work, and Active Listening. good book.

The book is interesting and have good points that can be used in everyday life. However, I did not finish that entire book, life happened..lolol

Yes I will recommend this book to any person that will like to find if he is in tune with his emotional intelligence.

Incredibly insightful filled with tons of helpful education!! Loved it!!!

Almost done with this book, awesome read. I highly recommend this book!

It was interesting and helpful. Learned things, I did not know.

Very informative
